

## Birkenhead Sixth Form College – IT Services

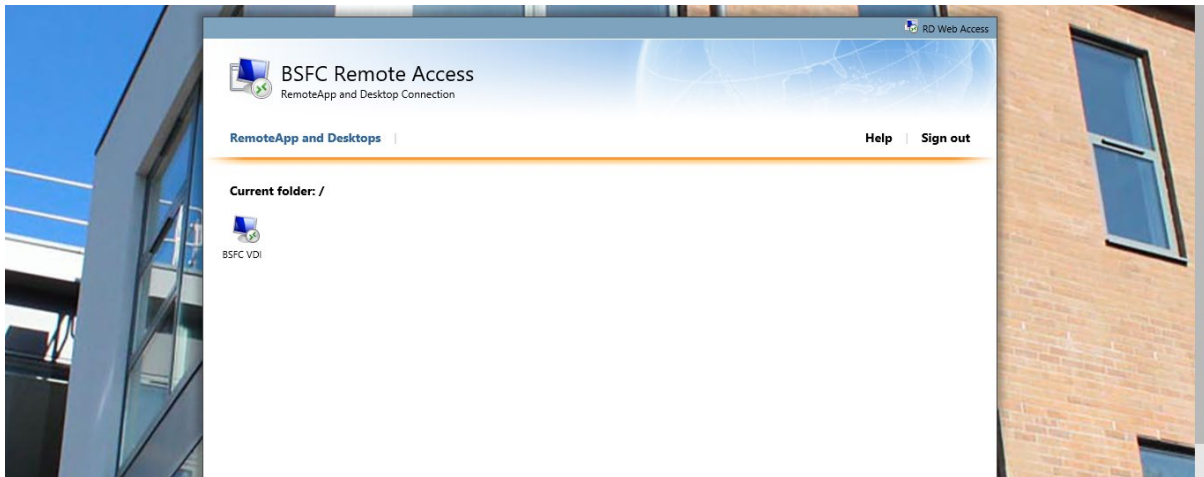

### Microsoft Remote Access (RDS) – November 2018

Access the login page via <https://remote.bsfc.ac.uk>

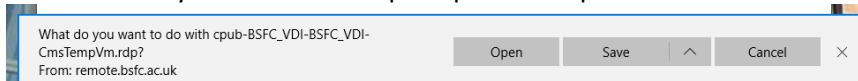

#### Standard Remote Access

***Web Based (HTML5 Instructions near the bottom of this document)***

At the login page enter your college email address and network password and click Sign In. The screen will refresh and be displayed similar to below. Click on *BSFC VDI*

At the bottom of the screen you will receive a prompt – click open

A further security window will open (we will be removing this shortly) but for now just re-enter your password. You will then be logged into Remote Access.

Remember to click "Log Off This PC" on the desktop when you have finished.

#### Web Based HTML5 Client

At the login page, you will see "Web Client" displayed to the right of the screen – click this.

At the login box enter your college email address and network password and click Sign In.

The screen will refresh – click on BSFC VDI and Remote Access will load within the web page.

Remember to click "Log Off This PC" on the desktop when you have finished.
